“ *Lynette was my best friend I could talk to her about anything. Lord why did she have to go so soon. It's like I'm lost without her. She gave me the best advice, whether it was what I wanted to hear or not.. she would do whatever she could for others, no matter what others said or thought. She was just Net.. I will see you again one day.. God bless her family. And Larissa. Anytime you want to or need to call me. 9192762667. I'm right here.*

“ *Lynette was a good woman and friend and mother/grandmother and I saw her take in do many people and soon as they would leave another one would show up or group LOL and I can still see her looking at me grinning and nodding her head like she was holding her cool but she was a selfless lady and a Christian. I met her in 2009 and I am glad to have known her, I always looked forward to a plate of her food especially around the holidays. She was a great cook, I always tried to get her recipe for mud pie it was awesome. She will be missed and I wish I could have known sooner so I could pay my respects to the family or even be a Paul bearer if needed. I never met her sister or family in SC but she loved you guys and I pray that you are getting along and hope Larissa is going to be okay. I watched her go from a baby to a little lady. Lynette did a great job with her too. I love you Lynette and I am very sad you are gone, I wish your family all the best and strength. Thanks for your friendship, Danny R White Jr.*
