“ To the Fullard/Dobson family, you have my deepest sympathy. I am fervently praying that you find comfort in knowing that others care and share your sorrow.

Barbara was jewel with a heart of gold that shined brightly through the love, care and actions displayed among her family, classmates and friends. Barbara was very dependable; her word was bond. If she said she would do something, you could count it done. However, on the other hand, if chose not to, she would tell you no, with no love lost. In other words, Barbara was Barbara, the same all the time.

Barbara was our class, Timmonsville High School Class of 1978 Homecoming queen. She stood before the spectators at that football game, received her crown and wore it well. Barbata represented our class, our school and our community with grace, dignity and class. Now she has been awarded the ultimate crown by our Lord and Savior, Jesus Christ and will stand before Him, and as a result of her sweet, loving spirit and her love of God, will reap the benefits of everlasting life.

Sleep on my dear friend.

I was honored to have known Barbara for so long. She was an awesome beautician and a dear friend. I will sorely miss her. I knew she loved the Lord with all her being and it was displayed in her living. She said what she meant and meant what she said. I loved that about her. She was dependable in every way. I will miss her smile and laughter. I will miss her teasing. I know she is with the master now and in perfect peace. Rest well my dear friend. Love always.
