“ Barbia was a leader among his peers. He loved the guys and the guys loved him. Without words we would translate needs and desires of others who had problems communicating. We really missed you when you left Lee County for Columbia. Continue to work in those heavenly gardens. I know those streets of gold are shining bright.

“ *Mr. Whack will be greatly missed. I have had the honor of working with him a mere seven months yet in these months I have come to see the face of silent strength. “Barbia” spoke with his eyes... I will forever remember him sitting quietly into the evening on his favorite sofa.*
