“ Bea and I worked together in the 80s at the hospital. We became great friends but as time passed we moved on and did not keep in touch, much to my sorrow.  
Bea was always so full of life and laughter and very dedicated to her family, her friends and her job.  
Heaven sure gained an angel and forever friend.  
RIP Bea  
God Bless the family and praying for peace and comfort. I love you all.  
I now live in Texas.
