My brother! As I reflect on your life, I am reminded of our times traveling together. You were the first to see the call on my life, and you appointed me Prophet of the house. I can't believe you're gone, wow. Ministering was your passion, from New York to Georgia, we had a blast man. I wish we could've done more, your vision for ministry was massive. Love you bro...my sincere condolences to the entire family!!
