“ Cleve, you were always a ray of light and a full of joy and laughter whenever we talked. Our last conversation is August was so refreshing and uplifting as always. You were a true friend indeed and you know mom and I will always love you. Blood didn't make us family but love did. Thank you for being you and our lives are all the better for having known you. Rest well Cleve.

“ Clevis, every time I would come home to SC and visit, when I stopped by your job, I'd look to see if you were working. I'd be so disappointed when you weren't there. Whenever you were, I would always see you smiling, laughing, or helping someone. You were one of the most positive souls I know. This is what I will always remember about you. You will be dearly missed. Rest in peace, Cousin. 🙏

My deepest condolences to the Mashack, , and Hunter and other families connected to Clevis . He was the Oldest son of my cousin Harriet Hunter, ,and husband Johnny Mashack . His parents groomed him well as a hard worker with good work ethics. . This guy was so talented, and he had a smile as large, as his mother Harriet , his dad Johnny , and his younger brothers too. They have larger than life smiles. I remember him so well, because his grandparents home, was a place where large family reunions were held. This was a time when I spent many weekends on the HunterHill . My mom Agnes Mckithen James , and I were out there, because Arlene , Darlene , and I were babies born less than 1month apart . Then Harriet came within less than 2 years. The connection began for us with our mothers both being great granddaughters of the late , Legacy of George Coleman 1861 - D.1918 & Martha DeBerry Coleman family. It's a blessing to know who you are in God . Likewise within your family as well . God bless you, family
