“ My wife Andrea and I would like to extend our most heartfelt condolences to the family and friends of Clyde Bines. I had the privilege of working with Clyde in the 90's when we were both employed with the City of Florence Recreation Department. I found him to be a great friend possessing a tremendous sense of humor. He was always willing to help others, as was evidenced in his willingness to share his basketball skills with youth in the sports programs. I pray that God will provide peace and comfort to those who love him. "Though he brings grief, he will show compassion, so great is his unfailing love." Lamentations 3:32 Larry L. Jackson
