“ My Big Brother, I'm at a lost for words, my heart aches with so much pain, even though I hadn't seen you in years, you were always a part of my life, I talked about you to your nieces and nephew and I'm sure they would have loved you just as much! I use to give you the blues when I would dump all your army men out onto the floor, and take your train apart right when you would put it together and you'd never got mad at me you just love me just because and I'm going to miss you dearly! I love you always and will never EVER forget you, my Snoop Dogg Looking brother 🤔 with all that long hair!!! (I can hear your laugh) Sleep easy Big Bro and rest in paradise...until we meet again!!!
