“ Dear Gallishaw Family,

*You have my sincerest condolences. Earl was a kind, gentle soul who did his best to leave each person he met with a smile and a more positive outlook. We may be denied his physical presence, but his memory and his unconditional love will live in our hearts eternally. May God grant each of you peace and understanding during this very difficult time.*

“ Earl, as I am writing this my heart is breaking because I can't believe you're gone. Who's going to give me those sweet big bear hugs that you gave me because you always knew when I needed one. You made the world such a brighter place to be in, you will be missed!! Who's going to ride by and honk the horn while I do my crazy parade wave, lol, I'm going to miss all of our little funny things we did and the laughter we shared. You were my brother, my buddy, the one who could always make me feel better whenever I was having a bad day. We will always be White Lightning and Chocolate Thunder! You were loved my many my friend, we will love you forever and always. Your other sis, Miss Audrey loved you and she is going to miss you too. We never made it to the boat, so, the next time we go, it will be for you.
