“Eleanor and I attended Zion Temple Holiness Church together, she was a fun and exciting person to be around. She was very sharp and intelligent. We shared many good times together, we were like family. She will be sorely missed. I pray that God extends his grace to the Scott family.

“ Sis Elenor Scott was one of the choir directors at Zion Temple for many years. I remember her faithfulness. She was easy to follow and put forth her best in service. Prayers and condolences for brother James and sister Glenda and the entire Scott family....

“ Sis. Scott was a wonderful woman of God and worker; she and I worked many years together at Assurant and also co laborers together in the Apostolic Faith; she was known for the best Red velvet cakes! Sister Scott was certainly a saint of God and wore Holiness inwardly and out. She is going to be missed, but we know that she is resting in the arms of the master.
