

Florence Priscilla James

December 16, 2025

Florence Priscilla James was born in Lamar, South Carolina, on February 27, 1936, to the late Frank Eston James and Magdalene Sanders James. She peacefully departed this life on December 16, 2025, following a brief illness. Florence received her education in the Darlington and Florence County public school systems and graduated from Brockington High School in Timmonsville, South Carolina, in 1954. Following her graduation, she relocated to Philadelphia, Pennsylvania, where she resided for many years. She later returned home to care for her ailing mother. Because of her deep love and compassion for others, Florence continued her life of service after her mother's passing by providing devoted caregiver support to other families. Florence had a special love for her pets, especially her beloved, Tiger, whom she cherished for many years. She also enjoyed fishing and often spent peaceful afternoons with friends at local fishing ponds. Her hobbies included collecting fine china, coins, stamps, and other treasured antiques. Though Florence appreciated old and cherished things, she herself remained young at heart.

In her early years, Sister Florence was a member of Brockington Street Church of God. She later united with Glorious Pentecostal Apostolic Church, where she was baptized in the name of Jesus Christ under the leadership of the late Bishop Leroy Robinson. Sister Florence eventually became a faithful member of Mt. Calvary Apostolic Church, where she served and worshiped for the past fifteen years. She dearly loved God and her church family, a love

clearly demonstrated through her unwavering devotion and consistent attendance at church services. Even as her mobility became limited, she remained determined to be in the house of the Lord. Sister Florence will be deeply missed by all who knew and loved her.

She was preceded in death by her parents and all of her siblings: Margaret, Jimmy Sam, Joshua, Louise, Flora, and Lloyd. Left to cherish her precious memories are a special niece, Vertella James-Tyson, along with many other nieces, nephews, relatives, and friends.

“ *Mother Florence,*

A sweet lady. I will miss seeing her at church and talking with her on the phone. She would talk about the Lord, ask for prayer, and we would just enjoy conversations about life. She will be missed. Prayers for the family and church family.

“ *Never thought I'll be visiting you in the hospital but my first visit u didn't won't me to leave like numerous visits at your home. The second visit seeing you just laying there hooked up to all those machines not able to talk but just resting would be my last visit. But being there for you helping you these last few months with cooking, cleaning helping bathe you and many other things assisting in your care was all out of love and I thank God for blessing u in my life as well as me in yours. You're definitely missed and grateful for you being allowed by you to be called one of your girlfriends as the old school would say. Love you and miss you Mrs Florence P. James. Continue Sleeping in Peace. ❤️🙏😭*
