Henry was such a kind, positive and gentle spirit! My most recent memories include our work putting together plans for the 50th celebration of the class of 1970 of Spaulding High School. Even though I did not walk the same isle in the same school, Henry and many other loving classmates continued to share that close relationship with me as well as others of our elementary, middle and high school memories! The John Wesley church family will truly miss his presence. My sincere condolences to his entire family.

*Henry was dedicated, dependable and always positive as we worked together on behalf of the Spaulding High class of 1970. A dependable, gentle spirit that the John Wesley family will surely miss.
Rest in Peace!
