“ *Kandie was my 1st cousin and Godsister. Growing up I always looked up to her. I can remember this one day so vividly back when I was in college. I came up planning to see her but I bumped into her when my roommate and I were out shopping beforehand. I yelled out "hey Willie Mae"! She turned around like" I KNOW this has to be my family calling name out like that". She ran up and gave me the biggest and best hug ever. The lady in the store said we had to be related because we had the same smile, so I take that as a compliment because her smile was beautiful and her laugh was infectious. I hoped that I would see her again but God had other plans. My deepest and sincerest condolences go out to David, Aunt Dot, and the entire family. I love you all. Rest in Paradise Kandie...*
