“ *Dear Al, Gerry, and Family*

Jackie and I were heartbroken to hear of Rickey's passing. Please know our thoughts and prayers are with you during this loss.

As I read the obituary, I noticed how Rickey's life was dedicated to his family and community. His achievements speak to a lifetime of service and resilience, from his early days as an athlete at Timmonsville High School to his academic pursuits that led him to earn a doctorate degree. His commitment to serving others was evident in his roles at the Florence and Lee County Disability & Special Needs Boards, where he guided and enhanced the lives of so many.

To your mother, at 91 years old, may God grant her strength and peace that surpasses understanding. We pray that the Lord's presence envelops her, offering comfort and assurance that Rickey's spirit now rests in eternal peace. May she feel God's comforting embrace each day, surrounded by memories of his love and dedication.

*With heartfelt sympathy,
Joe (15) and Jackie*

“ My deepest condolences to the family. I will miss Dr. Woods greatly. He was a very kind, generous, empathic, just and fair man. I will always remember his listening ear and encouragement. We also shared many lunches at Pee Dee Center. We had great conversation and shared a love for the same kind of music. RIP Dr. Woods. I'll see you one day in Heaven.
