“ I'm left with amazing memories. Remember Mary Alice Riley Henry) would bring me to visit you every summer while she visited my grandpa John T Scarborough. We'd play outside all day. Catching tadpoles. You taught me how to ride a bike. Thank you for being the best big cousin I could ask for. I miss you and love you very much

“ I had the privilege of having Makeba as a member of my team at Assurant for about 8 years. She was a hard-working employee and was always helpful to others. She helped to train quite a few team members over the years. She loved to laugh and always had a beautiful smile. Our team helped to support her through her husband's illness and death. She found strength she didn't even know she possessed during that time in her life. Her faith in God helped to get her through that extremely difficult period. She was always very proud of her beautiful children. She was driven to be the best mother to them that she could possibly be. They meant the world to her! We loved seeing pictures of them and hearing stories about them as they were growing up. We were thrilled when she got to build her dream home. That meant so much to her. We will all greatly miss Makeba's beautiful smile and her wonderful, fun-loving and caring personality. Until we meet again in Heaven dear friend...Renee' Davis-Arnold
