“ Tonya you and your family have my condolences. Malik was a son that I didn't give birth to. He always called me mom when I saw him. He really looked out for me and I am so glad that he saw something in me to want to love me. He will surely be missed and I remember when he use to come home with Travion when they were younger. They had a bond that no one could match. I will never forget how hard I saw him working at Sams and that smile that he always had on his face. Even when I saw him at the gas station a couple of weeks ago he was smiling and saying hey mom. I will definitely miss the love and your generous smile Malik. Sleep in Peace my sonshine.

“ Words can't express how much we will miss this young, bright, well-mannered man. He was a ray of sunshine to us all and always treated us with respect. He did NOT deserve this. Our hearts are truly broken. The memories he shared with Nic and us will never be forgotten. We will treasure his smile and kindness for our lifetime. .... The Mitchell and Samuel Family.
