“OI Marion ol Marion how I'll miss thee! Marion you touched many lives. You stand on business when it came to your job. If I knew that would have been my last time when I seen you at Walmart I would have gave you the biggest hug! Marion your job on this side has been done. You definitely will be missed! To Mrs. Patricia, kids, and the family you all are in my thoughts and prayers. 🙏

“Our sincere condolences to the King family. Whenever I would see Marion in Walmart, his favorite words were, “I see you're in here spending Knox's money.” He had a way of making you laugh. William worked with Marion for years at ESAB and they had a great relationship. Our families love each other as well. We will always have fond memories of him.
Much Love,
Dee (William) Knox

“ Sending condolences to the King family. Marion was the first person I met when I was assigned to Store 630 in 1996. We built a strong bond and have remained friends since. No matter how long we went between conversations, he was always the same. I am saddened to learn of his passing. I will truly miss him. He was indeed a true friend. Rest in peace, Marion King!

“ I worked with Marion many years ago at the “old” Walmart. I have so many fond memories of him. He carried himself so well, always a true gentleman. He teases me and made me laugh, and always spoke when I’ve run into him over the years. He was truly a bright spot on this earth. My deepest condolences for his friends and family. RIP old friend.
