“ *Queen will truly be missed by so many of us. She was a very sweet person. No matter whenever she saw me she would give me a hug and tell me how much she loved my spirit. Just know that Queen is in a better place and she is at peace. I pray that Hod will give you all strength during this time.*

“ Me and Mrs. Queen work together before she retired she was such a loving person and doctor me up when came and would tell people to leave me alone we even kept in touch after. When my brother passed she Checked on me an I will always remember everything she done for me. You always be in my heart.
