“ To the family of Mrs. Turner, I extended my heartfelt condolences. Mrs. Turner was a beautiful and kind lady, a great and patient teacher. She was compassionate and dedicated to her life's work and her love for her family and students. I was one of the students in her Home Economics class and it was a great and memorable experience. May God continue to give each of you comfort and bless you with special memories to last a lifetime.

“ I learned of the loss of Mrs. Reba S. Turner and offer her family my sincere condolence at this difficult time. I was in her 9th grade Home Economic class [along with her co-dept/ co-worker...I think of them as the original Cagney and Lacey of the 1960's]. Ms. Turner offered attention to details, affection for her family, students and her community, compassion in dealing with sensitive issue and providing directions to me and many other young people she had encountered throughout these many years. I am thankful for having known her and for her guidance as a blessing in my life, as she was always willing to shine her light to help others. I love you and you are missed.

“ We love because He first loved us. Mrs. Turner was a loving and kind person. First, she was my teacher, and then she became a loyal friend. I will definitely miss her and her sweet, kind and encouraging voice. May the God of love and peace be with us.

“ So sorry for your loss, Rhonda and family. I have such fond memories of your mom. She was very loving and dedicated to the grown and well being of children. The support and encouragement she provided to me and many others during our childhood will always be cherished. Her work here on earth is complete and now she lives on with the Heavenly Father. May God bless and support the family through this most difficult time. Carol Samuel -Robinson
