“ I just found out Mr Durant has gone to his Heavenly home. He has done so much work for me including the beautiful deck addition to my home. He was a hard working man and a great carpender. I needed one more addition for him to build but I see that God needed him more. My Condolences to the Durant Family.

“ *Wallace-Gregg Elementary sends our deepest condolences to the Durant family. Our whole team loved Mr. Durant's hysterical stories of his childhood in Timmonsville and all the times he bragged about using his charm to get out of trouble with his teachers. He was a warm and loveable character and while we used to tease him that our team kept him out of trouble, he used to let us know every time we saw him that he was the one keeping us on the straight and narrow. He had a natural ability to make everyone around him smile or cry with laughter. Our Swamp Fox family sends our thoughts and prayers to his loved ones and friends.*
