“ Goodbye My Sweet Cousin

*I'll never forget the good times we had as children
I will always keep these memories locked in my heart.
Summers, Holidays and Reunions will never be the same
without you there to share in the joy. Your laughter and
your smile will be forever missed.*

*Now that you are gone, all I can do is cry,
If Love alone could have saved you, you never
would have died. I Love you Rosa*
