“ Our sincerest condolences to the Allen family at Tony’s passing...

*I was an engineer at Domino Sugar from 1997 thru 2017. In all my twenty years at Domino Sugar, I’ve known Tony (affectionately referred to as “Major Al”...) as nothing short of polite, professional and willing to help those in need. I never heard a cross word leave his mouth, even under the most trying and difficult circumstances.*

*I enjoyed our frequent conversations over life in general as well as the day-to-day challenges that we both faced at Domino Sugar. It was my honor and privilege to have known, worked and associated with Tony in my twenty years’ service to Domino Sugar. I will carry those memories of him with me for the rest of my days.*

*Tony will be deeply missed by his many friends and family. I have no doubt Tony is walking with God right now and I look forward to the day we will, once again, meet.*

*May God Bless and comfort Tony’s family and keep them safe...
