Valery, I have grown to love you and Bec like my sisters since we met some time ago. We have shared so many beautiful moments over the years with Mrs. Addie and Mr. Clarence that I shall never forget. You were a rare jewel and your light shone through that beautiful contagious smile you always carried everywhere you went. We didn't talk and visit as much after Mrs. Addie left us but you've never left your special place in my heart. I still love you as my sister and will certainly miss your smiling face. God saw that you were getting tired and gave you your well deserved rest. I will keep a check on Bec for you don't worry. My sincerest condolences to your family, (my family) as you left big footsteps to fill. May they find comfort in knowing though a limb has fallen from the family tree you are still here in each smile, each tear and each wind that blows. May they find comfort in knowing God only takes the best. We love you Valery but God loved you best. Sleep in peace my beautiful sister. Your work has been well done!

Love forever,
Pat Jefferson
