“ Billy you will remain in my heart forever because you left a mark there. I will remember you as you were, loud, but loving and kind. You spoke your mind, but you were still meek and humble. Glad we finally went on that dinner date or you would've missed it. Your family will miss your helping nature. My condolences to them. Janie Rouse

“ Billy Will surely be missed. He was a jack of all trade. He never missed an argument with me whenever we saw one another. Billy had a heart of Gold. Every time we would see one another and I would get the best of him. He would give me a dollar to get a soda so I could leave him alone. He will be missed by so many people. Sleep in Paradise Billy stake your rest and remember that God only takes the best. Stay strong my brother Jimmy Lee and the Hampton family.
