

William "Chip" Wood III

December 29, 1983 - January 23, 2022

William Wood, III of Timmonsville, SC began life's journey on December 29, 1983. He was the son of the late Elder William Wood, Jr and Pastor Katie G. Wood. William, affectionately known as "Chip", departed this life on Sunday, January 23, 2022.

Chip received his formal education in the public schools of Timmonsville, SC. He furthered his education at Benedict College where he graduated in 2009, receiving a Bachelor of Science degree in Child and Family Development with a concentration in Childcare Administration. Throughout his early care and education years, Chip obtained various certifications that enhanced his ability to do what he loved most; working with children, families, and staff. Chip was a leader by nature which afforded him the opportunity to exhibit his talents not only internally, but externally through outreach, marketing and community engagement. Chip excelled in every position held.

Chip was a lifelong member of Mt. Calvary Apostolic Church where he was dedicated to the work of Lord. Chip always loved church and would show great excitement in attending the services. He was baptized in Jesus' name at an early age and received the gift of the Holy Ghost. He faithfully served in many capacities. He served as church drummer and also served as an usher from his youth. He held the office of praise and worship leader for many years and he had a gift of singing that helped to bring much joy to others. He

accepted the call of God to minister the Gospel of Christ in 2015 and preached his initial sermon August 9th of that same year.

Minister Wood loved and was loved by many. He impacted the lives of everyone that he came in contact with from various walks of life. He loved to talk and was never a stranger to anyone. Even as a child, he would converse with his elders with maturity. Minister Wood was not just a talker but believed in getting things done. He will be greatly missed by all that knew him.

Minister Wood was preceded in death by his father, Elder William Wood, Jr and maternal grandparents, Doris "Jack" and Katie Jackson Green and paternal grandparents, William and Janie Bryant Wood; three uncles, Randolph Green, Willie J. Green, and Rudolph McQueen.

Left to cherish his precious memories are: his mother, Pastor Katie G. Wood of Timmonsville, SC; siblings, Doris(Tyrone) Davis of Timmonsville, SC, Dr. Cedric B. Wood of Columbia, SC, Tiffany K. “ William and I met several years ago while working at Bright Horizons. We clicked instantly and enjoyed working together. William and I use to go to lunch all the time together. William was such a great man and he brought so much laughter and fun to my life. It truly saddens my heart to know we will never spend time together again. I will always cherish the memories we shared together at work and outside of work. William you will truly be missed and you will always hold a special place in my heart. I pray God gives your family the strength and peace they need during this time of bereavement.

“ William joined Quality Care for Children's Nutrition Services in November 2019 to help us strengthen our relationships with providers, center recruitment and coordinate our Kazookles outreach activities. On occasions, he helped recruit parents for our scholarship program for west Atlanta. During the pandemic, he helped coordinate the distribution of provider PPE with all departments. William is described by his colleagues as fun and having a great personality.

His teammates are very grateful for his contributions and his energy that he brought to QCC. Staff have shared that William liked to have fun. He was happy, smiling and laughing. Even when he chipped in to do some tedious work for a co-worker, he was always listening to music and made time at work. Secondly, William made sure that he LOVED his mother. He frequently spoke of her, always with a smile and with a visible love on his face for that amazing woman.

He will be missed in our office. We offer our sincere and heartfelt condolences to his family and friends. “What we have once enjoyed we can never lose. All that we love deeply becomes a part of us.” – Helen Keller

“ *I remember being a young girl going to church and trips to Disney World with Mt. Calvary. And Minister Chip was literally the life of the party. He always smiled. He was always happy. He always made everyone laugh. He was just the type of person that everyone fell in love with. He could sing his heart out. He was amazing. My Grandma Estelle Peterson and My Mother Andora Peterson use to love hearing him sing and they always were so fond of him. He will truly be missed. My heart goes out to his mother, brother, sisters, nieces , nephew and everyone that loves him so much. And to the Mt Calvary church family. On behalf of my own family, I send my deepest condolences.
