“ I miss you like crazy, Pop as I always called you, You was a Great Neighbor, Friend, You was a Father figure in my life, We had great time, great talk, great outing to Wal- mart, The farmer market getting flowers and Vegetables . The strawberry patch. I got to get to the point of not hearing you knock on the wall, calling me on the phone, Sitting outside hollowing my name, hitting on the poles, pulling your car and trunk up at our door blowing the horn and Fussing about me sleeping all day. I never going to get over it I just got to find a way to adjust. Love you
